PROFILE SUMMARY

Computer Engineering Fresh Graduate with strong interests in Software Engineering. Experienced in full-stack development and passionate about creating practical, user-focused solutions. A responsible team player, eager to learn, grow, and contribute creatively within collaborative environments.

EDUCATION

BSc Engineering (Hons) in Computer Engineering - University Of Sri Jayewardenepura *2021 - 2025*

- Second Class Honours - GPA - 3.15
- Minor in Data Management

Certificate Course in Computer Applications - IHRA, University Of Colombo *2019 - 2020*

- Merit Pass

GCE A/L Examination (2019) - Gurukula College, Kelaniya. *2010 - 2018*

- Combined Maths - A, Chemistry - A, Physics - B
- Z score - 1.5873

WORK EXPERIENCE

Associate Software Engineer Intern - Adveccio (Pvt) Ltd. *MAY 2024 - NOV 2024*

- Fully migrated a legacy desktop system to a modern LAN-based web platform, implementing JWT authentication, and role-based access control. Led UI design, testing, and bug fixing to enhance reliability.
- Collaborated on an ERP system project within an Agile team, developing report generation component and resolving critical bugs, while ensuring data integrity in the platform and maintained codebase with Git/GitHub.
- Developed a web-based tool to analyze the financial impact of manufacturing delays and integrated sales forecasting using linear regression.
- Technologies Used - JavaScript, React.js, Bootstrap, TailwindCSS, Flask, MySQL, REST APIs

PROJECTS

Seatify - Smart Restaurant Seating Availability Platform (Final Year Project) *NOV 2024 - JULY 2025*

- A responsive full-stack web app with role-based access and JWT authentication that uses CCTV video feeds and computer vision to provide real-time seat availability and occupancy updates for cafes and restaurants.
- Technologies : React.js, TailwindCSS, Flask, MySQL, Computer Vision

Interacta - AI-powered dynamic quiz generator (Individual Project) *JULY 2025 - AUG 2025*

- A quiz app that auto-generates quizzes from product descriptions, offers rewards, provides actionable customer insights, and supports UI customization for shop owners.
- Tech Stack: React.js, Node.js, Express, MongoDB, LLM API

Invoicely - Billing Web App (Individual Project) *AUG 2025 - PRESENT*

- A web app for small businesses to manage products, invoices, and track sales with offline-first support.
- Added low-stock alerts, barcode scanning, and analytics dashboards to streamline operations.
- Tech Stack: React.js, Node.js, Express, MongoDB, TailwindCSS

Quizee - Seasonal Quiz Web App (Individual Project) *NOV 2024 - FEB 2025*

- Festival-based in-shop quiz web app to promote cultural awareness and make learning fun and interactive.
- Admins manage rewards and seasonal question uploads and boosts customer engagement and shop loyalty.
- Implemented using React.js, Tailwind CSS, Flask, MySQL

RentHub - Rental Property Platform with Predictive Models (Individual Project) *MAR 2024 - JAN 2025*

- A full-stack web app for listing, booking, and managing short stay rental properties with integrated analytics.
- Implemented machine learning models for price prediction, occupancy forecasting, and review analysis.
- Implemented using React.js, Tailwind CSS, MySQL, Python, Machine Learning

EDOC - Web App for University Medical Center (Group Project) *JAN 2023 - JUNE 2023*

- Addressing the constraints faced by Undergraduates and Medical Staff in accessing Patient Histories with customized functionalities. Contributed to front-end development using Html, CSS, Boostrap, JavaScript

PROFESSIONAL SKILL

Programming Languages - C++, Python, JavaScript, SQL
Frontend Development - HTML, CSS, React.js, Bootstrap, Tailwind CSS
Backend Development - Flask, Node.js
Databases - MySQL, MongoDB
Tools and Platforms - Git, GitHub, Postman, Figma

EXTRA-CURRICULAR ACTIVITIES

Graphic Designer *2022 - 2025*

- CENSOC Computer Engineering Society & Technical Sub-Committee - FOE, USJ

Deputy Head Prefect *2017/2018*

- Gurukula College - Kelaniya

Secretary - Science Society *2017/2018*

- Gurukula College - Kelaniya

House Captain - Inter House Sports Meet *2017/2018*

- Gurukula College - Kelaniya

CERTIFICATIONS

- Introduction to Front-End Development - Meta
- MySQL Explorer Badge - Oracle
- Python for Beginners - University of Moratuwa
